JENNER'S **TASTELESS BILIOUS and LIVER** **GLOBULES,**

OR COMPOUND PODOPHYLLIN & TARAXACUM PREPARATION,

The Universal Remedy for Bilious and Liver Complaints, Indigestion, Costiveness, Loss of Appetite, Gout, Inflammation, Rheumatism, Lumbago, Jaundice, Bitterness in the Mouth, Pains in the Side, &c.

They are perfectly soluble, and are prepared from the receipt of a most eminent Physician. This Preparation, since its introduction to the Public, has met with immense success.

A disordered state of the Liver is generally admitted to be the predisposing cause of a great number of diseases. The Liver is the largest gland in the human body. Its office in the economy is to remove superfluous carbon from the system, a function that requires to be well performed to obtain general health. It secretes bile, commonly speaking, but properly it excretes from the blood those constituent particles which are of no further use to Nature, and hence obnoxious properties. The Liver holds a most important relation to the digestive organs, and there is scarcely a malady that affects the organism but what the Liver participates largely in the difficulty. Owing to its large size and the important functions it performs it is extremely liable to disease, and when disordered, exerts a marked influence on the organs and tissues of the body.

THE SYMPTOMS OF A DISORDERED LIVER

Are Nervousness, Sinking Sensation in the Stomach, Irregular Appetite and Fulness after Meals, Headache, Pain across the Forehead and Shoulders, Sickness in the Morning, Costiveness, Wind, Dizziness, Dimness of Sight, Nervous Debility, Piles, and Eruptions of the Skin, &c.

7½d. Box, 6d. 1/1½d. Box, 10d. 2/9 Box, 2/2.

Can be obtained through all Chemists or Medicine Vendors, or sent to any part on receipt of 7, 11, or 27 Stamps.

PREPARED ONLY BY

W. R. HEDGES, Dispensing Chemist,

HEDGES' SPECIFIC

— FOR —

Neuralgia, Tic-Doloreux, and Toothache, is the most speedy, safe and certain cure ever yet introduced to the Public, one or two doses being sufficient to remove the most excruciating pain.

This Preparation is unlike the remedies usually sold for Toothache; it is a Mixture to be taken, consequently there is not the least fear of it ever destroying or injuring the Teeth like ordinary applications; it has an extraordinary effect upon the system, and may be taken by either sex without injuring the body in the slightest degree, and is a never failing remedy for the above named complaints.

IN BOTTLES, 1/1½ for 10d.

PARISIAN HAIR RESTORER,

RESTORES GREY HAIR TO ITS ORIGINAL COLOUR,
PRESERVES THE HAIR AND CURES DISEASES OF THE
SCALP, AND IS A SUPERIOR DRESSING.

THE excellence of this elegant article for the Toilet, and its efficacy in the treatment of diseases of the Hair and Scalp are well known, while it has become universally a favourite with people of rank and fashion, and wherever introduced has superseded other preparations for the hair.

It is at once agreeable, effective, and entirely harmless.

IT IS NOT A DYE.

but daily applications for a week or two, so stimulate the roots and colour glands, that faded or grey, light and red hair, gradually change to a rich brown colour, or even black as may be desired, after which the shade is maintained by occasional use.

Falling of the hair results from a diseased condition of the scalp, or the roots of the hair, and will be arrested by a few applications, by which the hair is invigorated and strengthened and the scalp restored to a healthy condition. By its use, also, thin hair is thickened, and baldness often, though not always, cured. When the roots are only torpid, the Restorer, by exciting them to activity, will produce a new growth on bald heads, even of persons advanced in years; but if the roots are decayed, nothing can reproduce them.

As a dressing for ladies' hair there is nothing more beautiful and agreeable than the Restorer. To thin, weak, or otherwise diseased hair, it restores vitality, and imparts the brilliancy and freshness of youth; while its immediate softening and beautifying effects are very lasting, making it the most economical as well as the best dressing in the world.

HEDGES' MALT EXTRACT

Is a Soluble Food requiring no digestion, extremely rich in Bone and Muscle Forming Constituents, therefore valuable for Consumptives, also weakly Women and Children. Added to Milk it has been proved by our leading Medical Authorities an invaluable Infants' Food.

HEDGES' MALT EXTRACT taken with Food is one of the best known digestive agents, relieving Flatulence, Indigestion, &c., in a marvellously short time.

HEDGES' MALT EXTRACT is made entirely from the **finest barley malt**, and is offered at a price that is much cheaper than the best known brands.

HEDGES' MALT EXTRACT never makes the patient sick—because it is **pure**—and children take it readily; like jam spread on bread, biscuits, &c., or taken with rice pudding, &c.

HEDGES' MALT EXTRACT—made more liquid by a little warm, **not** hot water, and added to aerated waters, produces a nourishing and restorative beverage for feeble and exhausted constitutions, and at the same time a drink without alcohol.

DEAR SIR,

ERDINGTON, *December 5th, 1883.*

"Having suffered upwards of twenty years from Asthma, Cough, and Difficulty of Breathing, during which time I have tried everything that has been recommended me, but found very little relief from anything until I was induced to try your Compound Glycerine and Horehound Emulsion, which, after taking a short time, completely cured me."

Yours respectfully,—E. M. THORP.

DEAR SIR,

SMALL HEATH, *March 6th, 1884.*

"My mother has been very ill with Bronchitis for some time, accompanied by a most distressing Cough. She had tried many different medicines without deriving any benefit, in fact we had no hope of her recovery. Upon recommendation, I purchased a bottle of your Compound Glycerine and Horehound Emulsion, and the effect was astonishing. I can strongly recommend it to anyone afflicted with a similar complaint, as it caused a most complete cure in this case."

Yours very truly,—WM. LIVINGSTON.

DEAR SIR,

STICKNEY BOSTON, *Sept. 8th, 1886.*

"Please forward me another large bottle of your Glycerine and Horehound Emulsion, I find it famous stuff for Coughs and Bronchitis."

HEDGES' HAIR RESTORER

Speedily Restores Grey Hair

TO ITS ORIGINAL BEAUTY AND COLOUR.

The inexpensive nature of the ingredients from which all the various Hair Restorers are made, together with the very high prices usually charged for them, has induced W. R. H. to introduce to the Public, at a price within the reach of all, a Restorer identical with them in the principal substances employed, and answering all their purposes without containing their faults.

SOUND AND RIPE FRUIT.
PURIFYING TO THE BLOOD,
PALATABLE, REFRESHING, AND INVIGORATING.

.....

THE EFFERVESCENT COOLING SALINE is not introduced to the public as a cure for all diseases, but rather as a preventive of those ailments which arise from the stomach and blood getting over heated, and by its cooling, refreshing, and invigorating properties, it restores to the over-worked system that vitality which is absolutely necessary for the comfort of every human being.

THE EFFERVESCENT COOLING SALINE forms an agreeable drink, remarkable for its refreshing properties, and relieving thirst and cooling the body. It does not impoverish the blood, but keeps it in a healthy state, invigorating the system, and removing all bile and unhealthy secretions. It prevents Diarrhoea, and is invaluable in Gout, Rheumatism, or any Poison of the Blood.

THE EFFERVESCENT COOLING SALINE is strongly recommended as a preventive of Fever, Liver Complaints, Headache, Heartburn, &c.

## **HEDGES' GOUT & RHEUMATIC PILLS,**

**A Certain Cure for Gout, Rheumatism,  
Sciatica, Lumbago, Cramp, and all Pains of the  
Limbs and Muscles.**

Persons constitutionally predisposed to suffer from the above distressing complaints, are strongly recommended never to be without the above Pills, as by their timely use an approaching attack may always be averted, and the tendency of these complaints to attack the vital part is thereby effectually counteracted. The very extensive sale of these Pills, for the last twenty years, is a most convincing proof of their efficacy, as well as their superiority over most other preparations. Numbers of persons who have been subject to five or six attacks annually, have, by the use of these excellent Pills, reduced them to three, to two, to one, until eventually the complaint has been totally eradicated from the constitution.

**Important Testimonials** have been received. The following have been selected from many others:—

From Mr. PERKS, 194, Cheapside, Birmingham.—I have taken your Gout and Rheumatic Pills for eight years, and am never without them. Two or three Pills always remove the pain. Before taking them I have been laid up eight and ten months at a time.

From Mr. ELLIS, Hill Top.—Your valuable Pills always relieve me. In not one instance have I known them to fail. They ought to be more generally known.

From Mr. G. SICETT, Unett Street, St. George's, Birmingham.—I have been a martyr for eight or nine years, and have tried every medicine, but could find no relief until I tried your Pills. I can now walk with perfect ease.

Mr. ASHFORTH, back, 24, Washington Street, writes:—One box of your Pills have quite cured me.

From Mrs. WOODCOCK, Small Heath, Birmingham.—At your request I give my testimonial to the efficacy of your GOUT AND RHEUMATIC PILLS. I have been a sufferer for years until I tried your valuable Pills. I am now quite free from Rheumatics; if I feel the slightest pain, two of your Pills entirely remove it.

JOSEPH RIPP, Walsall Wood, near Lichfield, says:—I cannot help expressing my astonishment at the effects I have experienced in taking your GOUT AND RHEUMATIC PILLS. I have been a sufferer for nearly two years, and one box entirely cured me.

Mr. WARDELL, Hill Top, Staffordshire, states:—I feel it a duty I owe to myself and the public, to inform you of the great benefit which I have derived from taking your Pills. For years I have been afflicted, but am now able to attend to my work.

From Mr. HARPER, Ashted Row, Birmingham.—Having been a sufferer for some time, and not able to get a night's rest for weeks, I was induced to try your Pills, and after taking three Pills, I felt quite free from pain.
